Purpose of the data collection, processing and use

The purpose is based on the service contract existing between the parties (this corresponds to the offer booked by the client) for the provision of relocation services.

Recipients or categories of recipients

Data will be shared with the following individuals and institutions as necessary to provide the services: freelancers (consultants), private landlords, estate agents, property managers, city administrations, immigration authorities, embassies, driving licence offices, driving schools, kindergartens, schools and translation agencies.

Personal data will not be transferred outside the EU or the EEA.

Legal basis for processing

The processing of personal data is based on Art. 6(1)(b) of the General Data Protection Regulation (GDPR).

Retention and deletion of data

As a matter of principle, we delete data when the purpose for which it was collected no longer applies, e.g. after the completion of an assignment, provided that no statutory retention obligations prevent deletion.

Right of access, rectification, erasure and restriction of processing

You have the right to obtain information about the personal data we store about you at any time. Likewise, you have the right to have your personal data corrected, blocked or deleted.

You can change or withdraw your consent to the processing of your personal data at any time with effect for the future by notifying us accordingly.

Provision of personal data

In order to fulfil the assignment, you are obliged to provide personal data to the extent necessary for its fulfilment. Otherwise, we may not be able to carry out your assignment.

Right to lodge a complaint

You have the right to lodge a complaint with a supervisory authority. As a rule, you should contact the supervisory authority of your usual place of residence or workplace (Art. 77 GDPR).
